Indoor Event Spaces

THE SANCTUARY & FOYER

This architecturally stunning ceremony space is a fantastic option for larger weddings with its high capacity seating. Equipped with a sound system and various lighting options, this space may be vast, but will feel intimate.

Feel free to decorate with faux petals, florals, enclosed candles...etc. to enrich the beautiful space.

The Sanctuary's foyer is a great area to welcome your guests. The space allows plenty of tables for guest book, gifts, family pictures, favors, and any other event elements to introduce your guests to your wedding.

This space also allows for the family and bridal party to line up just before the ceremony begins.

A magnificent garden and a beautiful walkway will be visible from your guests' seats during the ceremony. Alternatively, the windows can be covered for a more intimate setting.

When the main Sanctuary doors open to reveal the Bride, she will experience the Hollywood movie moment she's been dreaming about! It might even take the Groom's breath away.

Indoor Event Spaces

BRIDE'S SUITE

The Bridal Suite is an extension of The Sanctuary and connects to The Garden Room. The space is ideal for the Bride and her bridal party to get ready before the ceremony.

The Bridal Suite features neutral decor, comfortable seating, plenty of space for hair and makeup crews, snacks, non-alcoholic drinks, and relaxation before your big moment.

The Bridal Suite door opens onto a hallway that leads to the foyer and a second long corridor. Your Bridal Party can spend some time together and get lined up before the Ceremony begins.

Prior to walking down the aisle, the Bride can enjoy a few moments to herself in the Bridal Suite.

GROOM'S SUITE

The Groom's Suite is located behind the stage of The Sanctuary, where the Groom and his crew can take refuge before the ceremony begins.

You will find comfortable seating, a restroom, and plenty of space to get ready, spend time with your groomsmen, enjoy snacks and non-alcoholic drinks before your big moment.

The Café is conveniently located in the heart of the property adjacent to The Courtyard. We recommend this space for smaller weddings, which can be utilized for Bridal Showers, Bridal Brunches, Rehearsal Dinners...etc.

In addition, this space is great for planning meetings, baby showers, and other memorable life events!

THE GARDEN ROOM

Connected to The Sanctuary is The Garden Room. The western doors open onto The Garden Patio, which offers a lovely view of the garden and streams in natural light.

It has beautifully hosted many events such as Rehearsal Dinners, Receptions, Cocktail Hours, and more.

THE BALLROOM

CCC has teamed up with Congregation Beth Tefillah whose event space is conveniently located across our north parking lot. This space can accommodate up to 250 guests.

Guests can easily make their way over to the reception after the ceremony concludes. If seeking a large, indoor reception, we will connect you with Congregation Beth Tefillah.

A beautiful space for Ceremonies, Receptions, Cocktail Hours, and all of life's most memorable events. This is a must see in person!

THE GARDEN PATIO

Outside The Garden Room doors is a large patio with plenty of space for drinks and food to be served. It's an ideal place to set-up a variety of tables for favors, family pictures, candy bars, and even photobooths.

This space is easy to maneuver for guests going through a buffet or waiting at the bar. This patio has an endless amount of options!

Outdoor Event Spaces

As you stroll through The Garden area you will find a large brick-laid event space. Plenty of room awaits your reception tables, head table, DJ station, and cake cutting table.

It's a great space to make your own whether for a day-time or evening event. If timed right, you might catch one of Arizona's stunning sunsets.

The circular path down to the terrace makes a stunning Grand Entrance! Depending on the background you prefer for photos, you have many choices of which direction to face.

This space is perfectly enclosed by lovely buildings, beautiful vegetation, trees, and is ideal for medium to large events.

THE GARDEN LAWN

Amongst the vegetation, trees, and rose bushes, The Garden Lawn is a great space for Cocktail Hours. It is located a few steps down from The Garden Patio.
